

REMOTE LEARNING

Expectations of Students Year 4-6

1. DAILY SCHEDULE

- Your teacher will post a weekly schedule of work in your **Class Team**, including instructions, check-ins and activities, daily.
- Teachers will also post a daily timetable for children to follow.
- The schedule of work is intended to keep you engaged for each learning activity.
- Your schedule of work will include a range of digital resources, strategies and learning activities.
- There will be a balance of screen time and hands-on activities. You will not be required to be 'attached' to your screen all day.
- If you cannot access the schedule of work for any reason, please Teams message your teacher immediately.

2. CLASS TIMETABLES

- Teachers will check in through a 'Live Teams' Meeting daily, usually at the beginning of the day, but your teacher will coordinate with you.
- Student attendance will be recorded by the class teacher in am and pm.
- Students are expected to follow their normal daily timetable as best possible posted in Teams/OneNote.
- The most common method of contact will be via a Teams 'Chat' in your class channel.
- Video recordings may be uploaded for you to reference in your own time. There will be links provided to access these resources.

3. COMPLETING WORK

- **Teams/OneNote** is the preferred platform for completing your work.
- Teachers will monitor the completion of student work on a weekly basis and if completion expectations are not met within the week, parents will be notified by email or phone.
- Feedback may be in the form of video, audio or message, via **OneNote** or **Teams**.
- Students will be informed of work that is required for assessment purposes.
- Some tasks will require pen and paper and to be completed in workbooks, other tasks will require students to upload photos, documents, or worksheets.

4. PASTORAL CARE & WELLBEING

- Staff will check in with parents and children regularly via phone.
- Parents and children are encouraged to balance screen time with physical exercise and wellbeing activities.
- Remember our ICT Code of Conduct with online participation.
- Kids Helpline is a great resource to support children.
