

REMOTE LEARNING

Expectations of Students Year 4-6

1. DAILY SCHEDULE

- Teachers will post activities on Teams for children to follow.
- Activities for Yrs. 4-6 will aim to engage children for various periods throughout the day, but not the entirety of the day.
- Work will include a range of digital resources, strategies and learning activities.
- We do not want children to be 'attached' to their screen all day.
- If you cannot access the work for any reason, please Teams message your teacher.
- Please understand that teachers will respond when available.

2. COVID+ /CLOSE CONTACTS

- All students who have COVID or are deemed close contacts, will be marked accordingly (COVID related).
- If your child is isolating as a close contact (not school related) in their house, please email the school and teacher directly.
- The most common method of contact will be via a Teams 'Chat' in your class channel.
- Video recordings may be uploaded for you to reference in your own time. There will be links provided to access these resources.
- Live meetings may be used when necessary.

3. COMPLETING WORK

- Teams/OneNote is the preferred platform for completing your work.
- Feedback may be in the form of video, audio or message, via OneNote or Teams.

4. PASTORAL CARE & WELLBEING

- Staff will check in with parents and children.
- Parents and children are encouraged to balance screen time with physical exercise and wellbeing activities.
- Remember our ICT Policy with online participation.
- Kids Helpline is a great resource to support children.
- Visit: <https://kidshelpline.com.au/> or call 1800 551 800
- This may be a useful online resource for parents:
