

2021 P&F Presidents Report

Good evening, everyone,

The P&F have had a very successful 2021 and I would like to thank everyone for their support and contribution.

We started the year off by continuing our Tuesday Subway and Thursday Sushi lunch orders and then we hosted another fun filled Family Fun Night to welcome everyone back to a new school year. I am always amazed at the feeling of community this event is able to create for our returning and new families. This year we were able to end Term 1 with our traditional Easter raffle and Fish and Chip Community Lunch.

While we still had some hiccups in our schedule due to COVID we still managed to run the majority of our events which included:

Cake Stalls

Colour A Thon

Pizza Lunches

Hair Tie Sales

Scholastic Book Club

Father's Day Stall

Icy Poles

Clothes Peg Fund Raiser

Mother's Day Stall

End of Term Community

Free Disco

Lunches

And we are, of course, already planning next year's Family Fun Night

Our efforts this year have not only allowed us to meet our \$10,000 commitment to the school for various projects including the fun vehicle additions to playgrounds, support the Aboriginal incursion and the

Play based additions to the Year 1/2 wet areas but has also allowed us to support the installation of a permanent camera in the hall at a cost of \$7000. We could not be prouder to support a project that every family will soon be able to benefit from, enjoying streamed events onto outdoor screens and hopefully over secure internet connections in the future.

This year we trialled some night meeting in hopes of making our meeting more accessible to our parents. We are currently looking in to letting parents join our meeting via Zoom, in hopes of seeing some new faces and ideas, either in person or over the internet.

Thank you all for your participation this year, parents, guardian, and teachers as there is no way we could do it without you.

Stephenie Kunder (P&F President)
